. Major Volevach, chief of the Basa in Worder, returned from his furlough in the USSR on 25 August. All articles of footwear and textiles which proved to be unsaleable at the Basa and at all warehouses of the commissaries were assorted and sent to the USSR to be sold there.	
. Between 24 August and 13 September, 2 L1-2s, 2 single-engine aircraft and 2 or 3 Po-2s daily landed and took off from Werder airfield.	
Comment. No changes were observed at the commissaries of the Basa in Werder and the individual warehouses. The officers and their ranks have been reported previously.	25X
